

## 2<sup>nd</sup> Class Power Engineer

XL Foods Inc. is the largest Canadian owned and operated beef processor with facilities in Alberta and Nebraska.

We are currently recruiting a 2<sup>nd</sup> Class Power Engineer for our Brooks, Alberta facility which has the capacity to harvest more than 4,000 cattle per day. This position will be located in Brooks, Alberta, Canada.

Reporting to the Maintenance Manager, this position is responsible for a wide variety of reporting duties including:

- Ensure total care and control of the Boiler Room and associate ancillary equipment;
- Ensure total care and control of a large ammonia-refrigeration plant;
- Ensure daily plant inspection of ammonia-refrigeration and boiler systems and that all systems are operating in a safe and efficient manner;
- Ensure the recording of data and all relevant information to the operation of the plant under the Chief Engineer's jurisdiction;
- Have a bias for action to reduce energy consumption be it gas, electricity, water and ammonia usage;
- Undertake capital projects to improve operating performance of the plant in consultation with the Maintenance Manager;
- Provide leadership by instilling safety, objectives and measurements;
- Conduct detailed diagnostic audits of each plant using various processes and techniques and provides coaching and direction to all plant's management team;
- Perform other duties as required.

Requirements:

- Valid (ABSA Certified) 2<sup>nd</sup> Class Engineering certification;
- Proven team leader, team player committed to excellence and positive attitude;
- Familiar with government and regulatory agencies;
- Demonstrated supervisory experience;
- Knowledge of Ammonia refrigeration systems;
- Knowledge of natural gas fired steam boiler systems;
- Familiarity of system computer interfacing;
- Knowledge of PLC systems;
- Past experience in a preventative maintenance program;
- Ability to ensure the safe and efficient operations of boiler plant and large ammonia refrigeration system;
- Strong interpersonal and communication skills.
